

Mac's Notes

January 22, 2024

Dear Scottie Families,

On Tuesday, February 6, from 6:00-7:00 PM, we will host a tour of our program for prospective families. If you and/or your children are interested in volunteering to facilitate a tour, answer questions, etc., please respond to this email and indicate which language (s) you are comfortable communicating in with our guests.

Many Thanks for your willingness to represent our school community.

This Week:

- Monday, January 22: General PTA Meeting [on zoom](#) and in person at McDonald from 6:00-7:30 pm.
- Tuesday, January 23: 8:30 AM: Lockdown Drill (our first lockdown drill of the year, we practice this by ensuring all students are in a room, clear from the hallways and restrooms, lock doors, close blinds, cover windows, keep voices and lights off and stay away from doors and windows. The drill is released when a staff member unlocks the door, turns on the lights and let students and staff know we are all-clear to return to instruction---5 minutes or less).
- Saturday, January 27: SPS Enrollment Fair at the John Stanford Center for Educational Excellence from 10 am to 2 pm (Ms. Poff and I will host a McDonald International table with information for prospective families).
